Such deposits will be offset against the tuition fee due. A 'deposit' is defined as a 'non refundable pre-payment towards the tuition fee'.

4) Please note that bench fee/laboratory charges may be raised on certain postgraduate courses. Students will be informed of this when offered a place at the University.

- Students who decide to withdraw in writing (as above) within the first 4 months of the commencement of their course will be charged 60% of a full year's fee.
